Love (6-4-80)
Always, Dear Jerry,
Non These are the years among friends that
are the happiest, as I am sure you will always
remember and cherish.
But always remember, only you can make
those years successful ones. It is with much
warmth that I wish you the very best now at
this point in time of your life, and for the future.
At this very moment, I can see myself overwhelmed
with pride and joy two years from now when
I can attend all my sons and daughter graduation.
Enjoy your summer, and make it a safe one.

Msgr. Scanlan High School

STATEMENT OF PHILOSOPHY

The philosophy of Monsignor Scanlan High School embraces the moral and intellectual development of the student as a human person, made to the image and likeness of God redeemed by Christ, and destined to be one with God. This is expressed in all areas of education: spiritual, ethical, cultural, physical and vocational. Its goal is to develop a truly free, responsible and integrated person, whose mission, through knowledge and discernment, is to use his talents, faculties and virtues in making the world a better place for his fellow man, thus achieving his/her own self-fulfillment and destiny.

Gerry,
Everything that
I should say I
can't. Why! Because
I haven't the time.
That was always
my problem - not
enough time to do
the things that
should be done. So
many things should
be done and said.
I am the one regretting
it now. That is the past
and now I must look
to the future. What
holds? I do not know,
but all I can do is prepare
Thank-you for EVERYTHING
Always & Forever
A - Deanne

A Yearbook is a book dedicated to covering the people, events, and activities within a school. There is one very special event that was a highlight of the academic year and therefore, needed a special place in our book. We could not end without paying a special Tribute to this event.

Dear Jerry,
Hope you have a
terrific summer! You
are really an alright
person! Good luck in
the future and in everything
you do!

Love (always)
Moraima

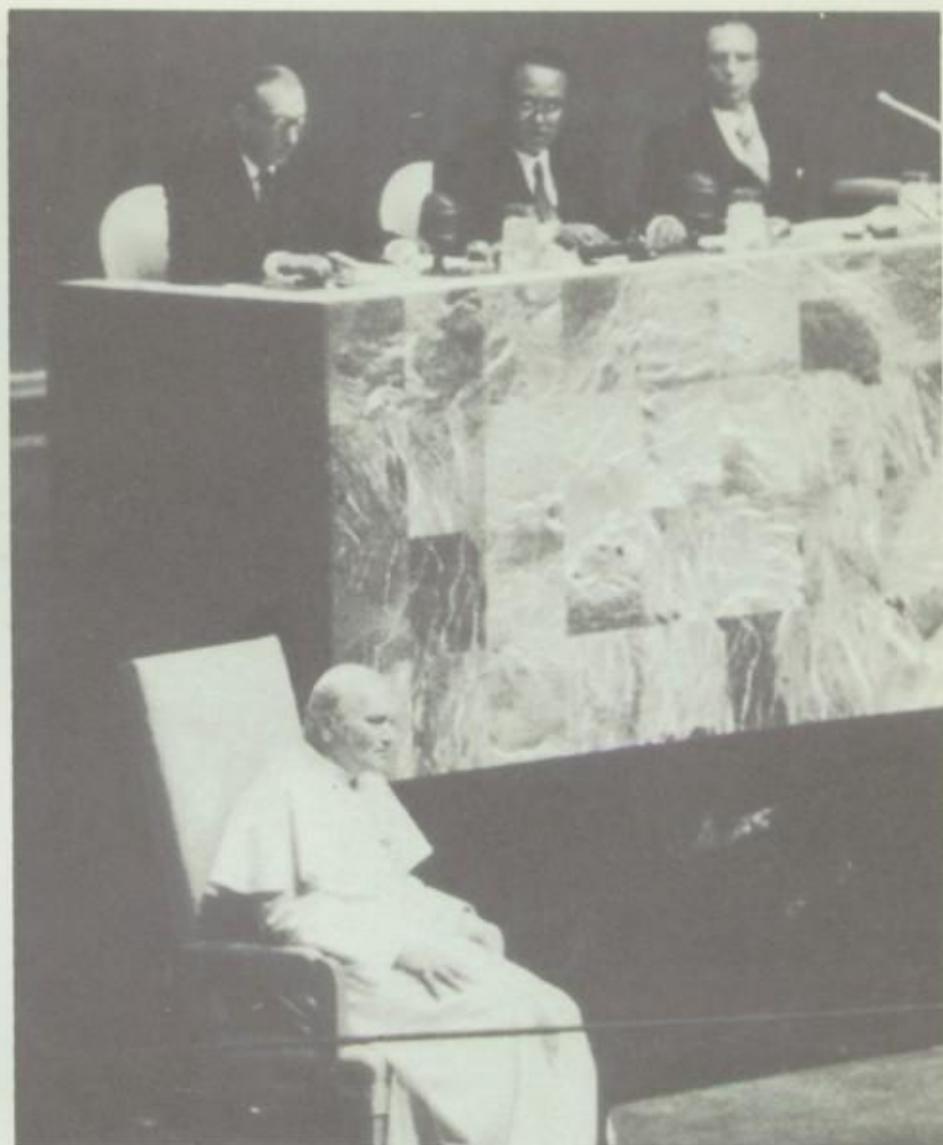

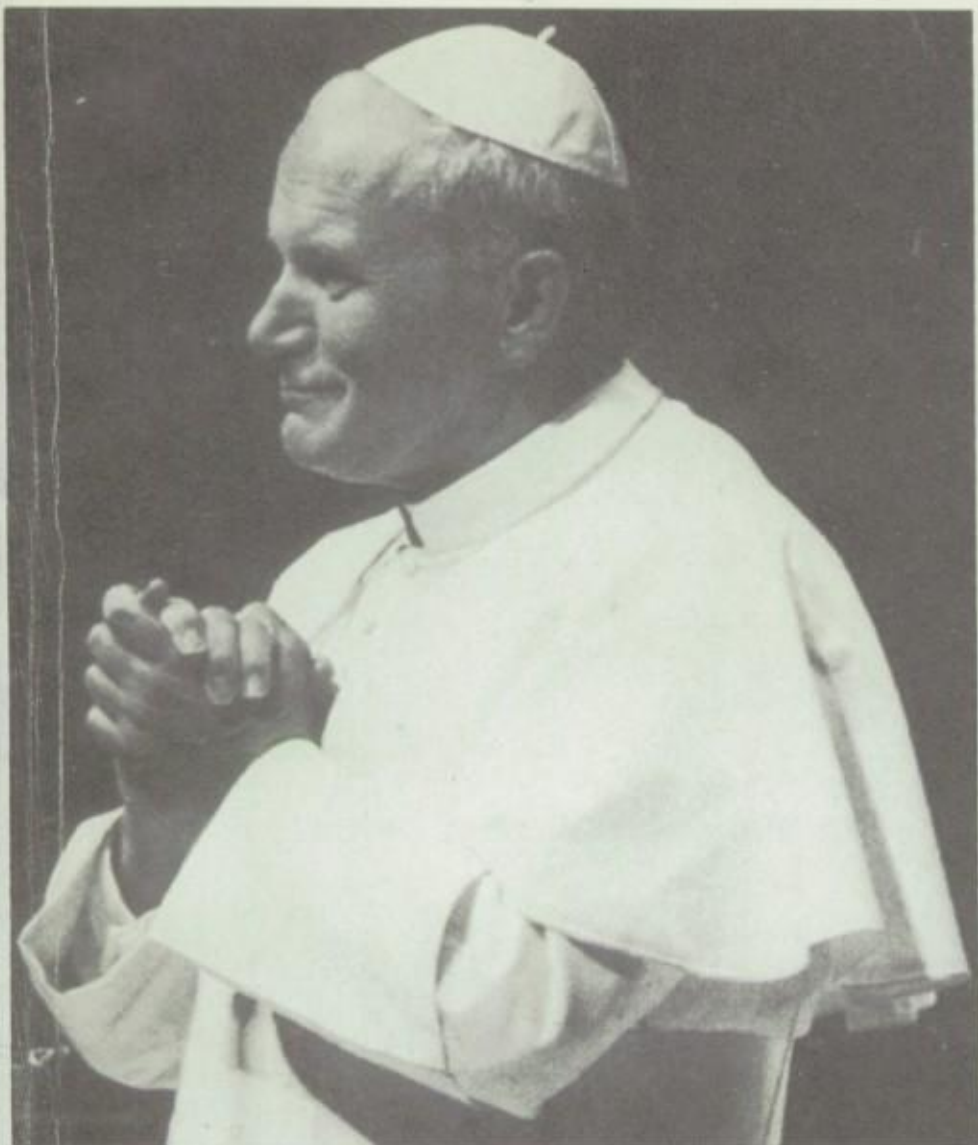

To Jerry

The Pope with Scanlan at Madison Square Garden October 3,
1979

P.S. Have a
terrific junior year!

Scanlanites celebrated on Wednesday, October 3, 1979, the arrival of Pope John Paul II. This historic event took place at the Garden, and the kids broke the cheering record. The Pope received bluejeans, a Big Apple T-shirt, and a guitar, which he doesn't even play. Scanlan will always remember Pope John Paul's presence here in New York as a joyous and inspiring event.

As a beginning we would just like to say that it has really been a remarkable, interesting and a total state of oblivion to be able to accomplish such a memorable and unforgettable yearbook!!

Thank You's —

Giancarlo Rachiele, for sharing his most gifted and outstanding talent; his art

Toni Don Vito, Denise Cannavina, Phil DeCanio, Ann Rodriguez, Linda Dalfior, Christie Gumbs

Our Staff, for your patience, creativity, time, dedication and most of all your friendship.

This book would have been an impossibility without you!!

Ted Schiffman, of Taylor Publishing Co. whose guidance, ideas and friendliness has helped us make this yearbook the best ever!!

Mr. Dudley Davis, yearbook moderator, we thank you immensely for your time, dedication and most of all for your friendship, sense of humor that guided us all through an interesting and superb year!!

Anthony Sereno, for his excellent photography work and for always being there and ready to help us!!

It really took patience, long working hours, dedication, loyalty and most of all the will to accomplish a very important part of our school year!!

We sincerely hope that everyone will enjoy our book and cherish all the memories that it will bring.
